Property Description

Discover this exceptional 10,079 m² property in Turrubares, San Jose, offering the perfect setting to build your dream home, vacation retreat, or tourism project surrounded by nature. With water available on the property, this land is ready for residential, agricultural, or eco-tourism development. Enjoy a peaceful environment surrounded by native forest, a nearby river or creek, and easy access to some of Costa Rica's most beautiful natural attractions and beaches. The property is located within a secure community featuring controlled access, a guardhouse, and reception area, providing privacy and peace of mind. Water storage tanks are also available to ensure a reliable water supply. If you are looking for a spacious property in one of Costa Rica's most scenic locations, this is an outstanding opportunity. Contact us today for more information or to schedule a private tour.
