Property Description

This bakery and cafe for sale is located in a prime location in the heart of San José, Costa Rica, within walking distance of key points such as the city hall and the Mercado Mayoreo. The corner store is strategically located on a one-way street, ensuring a constant flow of vehicular and pedestrian traffic, perfect for attracting a diverse clientele. With a construction of 250 square meters distributed on two levels, the store is fully furnished and equipped to continue its operations without the need for additional investment. On the first level, there is the cozy cafe area, ideal for offering a comfortable and relaxed atmosphere to customers. The second level houses the kitchen, fully equipped for the preparation of a wide variety of bakery and pastry products, as well as the preparation of both hot and cold drinks. The store has all the necessary kitchen equipment, from ovens, mixers, display cases, to equipment for the preparation of coffee and other types of drinks.
