Property Type: Land • Lot Size: 255317 Square metres •

- Status: Available

Property Description

Discover one of the last large fincas with spectacular ocean views above the charming fishing village of Mal País. This exceptional property features an approximately 300-meter cleared ridge ideal for future home sites, showcasing breathtaking panoramic views. Bordering Cabo Blanco Absolute Natural Reserve to the south and the Florentine River to the north, the finca offers exceptional privacy, abundant wildlife, and pristine tropical surroundings. Surrounded by lush rainforest, the property is filled with the sights and sounds of nature, creating a truly peaceful and secluded retreat. A cleared plateau provides a glimpse of the development possibilities, while the property's elevation, natural beauty, and expansive size offer tremendous potential for a private estate or multiple homesites. Just 4 km from Santa Teresa and accessible by partially paved, steadily improving roads, this rare finca offers the perfect balance of privacy, nature, and convenience.
