Property Description

This property of 272.88 square meters, is located in a strategic location for a commercial development, as it is exactly at the main entrance of the city of Quepos. A few minutes from the world famous Manuel Antonio National Park, the Marina Pez Vela, the Social Security Hospital, the Airport for domestic flights and several beaches of great beauty. This property has 2 old houses that must be demolished, to make way for a new construction that will be for a commercial development, for its excellent location, or even for a dwelling house. This property has all the legal documents up to date, has all the services available and what is very important has the document issued by the Municipality of Quepos, which indicates that the land use is MIXED (COMMERCIAL-URBAN).
