Property Type: Land • Lot Size: 5006 Square metres •

- Status: Available

Property Description

Discover an opportunity to own a spacious 5,006 m² (approximately 1.24-acre) titled estate lot within a private residential community in Belén, Carrillo, Guanacaste. Surrounded by the natural beauty of the region and complemented by mountain views, this property combines privacy, generous space, community amenities, and convenient access to everyday services and the North Pacific coast. With permits and utilities already in place, the property offers a streamlined starting point for buyers planning to build a custom residence in Guanacaste. The generous homesite provides ample space to thoughtfully design a home with outdoor living areas, gardens, recreational spaces, or other features suited to the owner's lifestyle and vision. The community is designed around an active, nature-focused lifestyle. Owners have access to more than 15 kilometers (9+ miles) of private nature trails, creating opportunities to explore the surrounding landscape.
