Property Description

Casa Ohana is a timeless 3-Bedroom, 2.5- bath contemporary home nestled in an unusually private and beautiful setting bordering pristine and wild jungles. With a window to the sea, Casa Ohana is located Dominical's most sought after mountain range of Escalares de Dominical. This custom built home integrates seamlessly within its jungle and mountain setting. Attention to detail presents itself with luxurious finishes including granite countertops, teak hardwood flooring, oversized travertine bathrooms, and much more. Casa Ohana has an expansive open floor plan on the main level that opens to a beautifully landscaped patio area with an immense pool surrounded by virgin rainforest. The sound of the river that fronts the property below and daily visits of Howler monkeys will reassure you that you are truly in paradise. Casa Ohana is perched above the Pacific with an ever present sea breeze cooling you on tropical days.
