Property Description

This lovely home with guest house and pool is nestled into the jungle in a safe neighborhood in the mountains northeast of Dominical and enjoys ocean, mountain and river views. The 3,532 square foot main home is on one level with an open kitchen/dining/living room that leads to a covered deck and the views beyond; as well as, the pool and jacuzzi spa. There are three bedrooms and an office. The upgraded finishes include granite counter tops, stainless steel appliances and tropical woods. The 1,000 square foot guest house features solar panels and open floor plan. The tropical landscaping, 2 car garage and 4 stall quad storage enhances the estate. The gated community features a 100 foot waterfall, tilapia pond and garden. Just 20 minutes to the Playa Dominical and San Isidro. Contact me today to schedule a showing.
