📍 Samara, Guanacaste

\$89,000

Reference: 07184

Property Type: Land • Lot Size: 2457.22 sq m •

- Status: Sold
- Jungle Views
- Beach Properties
- Investment Opportunities

Property Description

Amazing opportunity! This large parcel is about as close to Playa Buena Vista as you can get. It is 100% flat and build-able. The parcel can easily be subdivided into 3 or 4 smaller lots - build your home on one and sell the rest. This is a peaceful and desirable neighborhood with a nice mix of full time and part time residents. Great location just a short bike ride from Samara beach, shops and restaurants. For more information on this property please contact carly@coldwellbankersamara.com or (506) 2656-0856.
