Property Description

With over 450 acres of primary rainforest, 1/2 mile of beach front and 30 acres of tropical organic gardens, this Eco-lodge locates in the northeast corner of the Golfo Dulce, facing west and looking towards the Osa Peninsular and Corcovado. The western boundary is the Golfo Dulce. The northern boundary is at the beginning of the Rio Esquinas Mangrove Estuary. The eastern boundary is inside the national park. It is 15 minutes away by kayak from a small coral reef suitable for snorkeling. The nearest towns are Puerto Jimenez, 30 mins away by boat and Golfito 35 mins away by boat. Across the Golfo Dulce and 20 minutes by boat is Playa Blanca. The lodge has undergone numerous upgrades and improvements. The hard work has been done! The hotel has new infrastructure upgrades (solar electric, cabin and equipment new (edible) landscaping, website, and the business is highly organized and efficient.
