Property Description

A wonderful home in the gated community of Roca Verde, the most sought after gated community in Atenas. This completely renovated custom luxury residence sits on a 1.7 acre (7014 m²). With over 6,000 square feet (557 m²) under roof, this luxury residence is very open and airy. Fashionable contemporary neutral color walls blended with warm wood ceilings create a comfortable and engaging feel for those who appreciate the beauty of a luxury home. There are numerous extras in and out that make this home perfect for those who are looking for luxury and appreciate quality. The house runs mostly on solar electricity. The 9.5 Kwh system with 30 quality US made panels means your utility bills are virtually non-existent. The large high-end designer kitchen is a chef's fantasy that includes stainless steel appliances, built-in convection ovens, custom hardwood cabinets, and granite countertops.
