Property Description

The lot is conveniently located in the town of Canto de los Gavilanes, located less than 5 minutes' walk from the Samara center, and around 500 meters away from the beautiful beaches of Samara and Cangrejal. Due to its prime location, this lot represents a unique opportunity for those who have the dream of building the perfect house near the beach in an unbeatable location, enjoying all the comforts of modern life within walking distance from everything in town (supermarket, bars, restaurants, and the beach). Also suitable for commercial development, any business (hotel, housing or any other activity) has a window to develop and prosper, in a growing tourist town. Enjoy the tropical climate, the thriving Samara community and the beauty of the whole Nicoya Peninsula with beaches and national parks within a short drive. For its price, this lot is a great opportunity that you should not miss!!!!.
