Property Description

This beautiful south facing lot is located in the hot residential area of Samara, el Canto de los Gavilanes, just a 5-minute walk from the town center and the two beaches of Cangrejal and Samara. It is situated at a very convenient and central location and has some beautiful mature trees on site. This 438 square meter lot has public road frontage, giving it mixed-use zoning and making it ideal for any housing or business development. This lot should be a top consideration, not just because of its size, but for its location and its access to public services.
