Property Description

Terreno con Excelente Ubicación para Desarrollar en Curridabat. It has Commercial Land Use with a minimum surface area of 22360 m², a minimum front of 12 m², maximum coverage of 70% and 7 stories high. It has Low Density Residential Land Use with a minimum area of 22500 m², a minimum front of 15 m², maximum coverage of 50% and 2 stories high. It faces a public street of 29 m² and is very flat with a slight slope in its central part, ideal for residential development, since it has perimeter walls and land or houses can be conceptualized both consisting of the land, since it has a shape rectangular. The land is fully worked and has no weeds, as well as some office buildings and roofed spaces for truck repair. It has a strategic location in a residential area and is very close to public transportation. A great opportunity to develop lots for sale or the conceptualization of a condominium.
