Property Description

New construction on the Dominical River Road. Walk or bike to the beach from this lofted, river view home. Near completion and available for viewing now! Featuring modern lines and a deck with pool overlooking the Baru River. The layout offers a master suite and guest wing separated by an open kitchen, dining and living area. Open the sliders to join the living room with a covered outdoor dining and BBQ area. Each room has river views and walk out. There's an enclosed garage and US-style garage door with remote..... a rare find in Costa Rica. Interior finishes include imported porcelain tile throughout, chrome fixtures and hardware, exotic granite countertops, custom solid cedar doors and matching cabinets with soft close drawers and doors. Windows throughout allow for soft natural light in the day and numerous, recessed lights provide for great illumination after sunset. The home is pre-wired for sound, telephone, and cable.
