Designed with ease of maintenance in mind, this property is truly a top candidate in this price range. The house is situated on the lot to capture the breezes and showcases the mountain view from all areas of the indoor and outdoor living spaces. The house has a great floorplan featuring the open-concept kitchen/living area, 2 bedrooms, and a laundry room. There are quartz counter tops throughout the kitchen and bathrooms. The 2nd bath, currently a half bath, is plumbed for a shower if desired. Patio doors from both bedrooms and the great room lead to the covered terrace that extends the full length of the house.
