Property Description

This stunning home is located on a titled lot just steps from the picturesque Tambor Beach on the Nicoya Peninsula. This unique home was built in 2005 by the renowned Costa Rican architect, Juan Rodriguez Bonilla. With a classic Costa Rican feel and elegant decor, this home was built with attention to detail and luxury living in mind. The 3-Bedroom, 2.5-Bathroom home features a custom made kitchen that includes hand-carved "Purple Heart" and Cedar cabinets. From the kitchen, both the dining and main living areas flow into an exceptional outdoor patio that boasts breathtaking vistas of the ocean and intricately landscaped front garden. The private outdoor living spaces are definitely the highlight of this property, along with the "four leaf clover" shaped pool. Living beachfront means ocean breezes move freely throughout the open air home, and it adds to the tropical feeling of this Costa Rican oasis.
