Property Description

For anyone looking for the most amazing views, with the easiest access, look no further. The views from this house are absolutely breathtaking; from the dramatic and ever-changing waves crashing against a rocky headland a few hundred yards away, to the jaw-dropping sunset views to the West, the location is impossible to beat. Encompassing an area of more than 37 acres/14 hectares, this property has one of the best views of the Pacific Ocean, and is located on the much-sought-after front row ridgeline to the ocean. The sound of the sea and incredible sunsets will be part of your daily ritual, where the waves crash on the rocky coast just below the house providing peaceful and almost mesmerizing natural entertainment for you and your guests. The beautiful main house with 2 bedrooms and 2 bathrooms is located on a manicured grassy garden area surrounded by secondary and primary forest, and has solid concrete walls, making adding a second story a feasible expansion option for the home.
