## Property Description

With a Castle-like exterior and even more impressive interiors - This home, and the Resort it is part of, offer all of the amenities sought after in a luxury home. Impressive home offering over 6,000 square feet of roofed space, with a total of five bedrooms and five and a half bathrooms, and many social and common areas. This great property left no detail to spare, with incredible finishes such as vaulted ceilings with the brick decor, tiled floors throughout, and beautiful wooden touches in all areas. Enter into the beautiful lobby, with impressive vaulted ceilings and door detailing, which will bring you into the large living area, overlooking the pool. The open concept of this property provides you with ample common areas filled with natural light, thanks to its ample windows, and allows for easy navigation. The dining area is ample and opens to a roofed terrace with more dining space and a BBQ grill.
