Property Description

The owners have made clever use of this unique, gently sloping lot. This property seems twice its size! Upon arrival, you will see a beautiful walk-out bungalow with an incredible ocean view with year-round sunsets. This bright and spacious bungalow boasts 4 bedrooms along with an ocean view office that could easily be converted into a 5th bedroom. Perfect for those that work from home. The office has wonderful breezes and a superb ocean view to inspire you with your daily work schedule. The lower level of the bungalow which is on a walk-out level has its own separate and private entry providing the perfect opportunity to either rent out the lower 2-bedroom level, or use as a Mother-in-law suite. It is very spacious with plenty of space to add a kitchenette or full kitchen. Or it is great as is – perfect for guests or teenagers with space for privacy. Lots of room to create a games/media retreat.
