Property Description

The Mountain Jungle Estate is located only 5 minutes from the center of Atenas but feels as if you were in the middle of the jungle. The property has a strategic topography that gives it the unique feel of being far away from civilization. The home was built by the team efforts of 3 well known architects from Costa Rica and Europe. The kitchen has been recently updated with all high end appliances and dark high quality wood. The property boasts 3 separate buildings totaling in 7 bedrooms and 6.5 bathrooms. The main house with 5 bedrooms, the guest house with 2 bedrooms, and the tree top cabin with 1 bedroom. The property is massive and has over a \$100,000 in gardening. There are 67 palm trees, tons of palmeras, endless supply of orange, lemon, coconut, mango, and mandarin trees. There are a few Ylang Ylang trees that give off a perfume fragrance when they bloom. Hundreds of short and tall colorful exotic plants all around the property and houses.
