📍 Puriscal, San Jose

# \$135,000

ID: 15044

Property Type: Land • Size: 3282 sq m • Built: 2022

- Status: Sold

## Property Description

The potential of this LOT and the amount of creativity you can have is vast and unique. Enjoy an outstanding view from all three of its terraces. The property can fit 3 full houses or two with a pool or one with a pool and garden. Many different combinations to create the perfect dream home for you and your family. There is a small private road that leads you off the main road and brings you to the back where you can enjoy peace and quiet. This area is known for the high amount of beautiful colorful birds including 3 types of Toucans, the Motmot, and many more. You will have special visits by the white faced and howler monkeys. The view includes the Central Valley, Surrounding Mountains, and the famous Peas Volcano. Truly a one of a kind LOT. Call us to see this lot. Coldwell Banker Pura Vida Paradise!
