Property Description

Just a hop, skip and a jump to the beach this brand new contemporary style home in Surfside Estates is exquisitely designed to be a perfect vacation home, rental investment property, or both! Just down the street from Potrero Bay which is in the process of being host to the largest marina on the Pacific side of Costa Rica. The Flamingo Marina, currently under construction, is bringing attention from near and far making Surfside Estates an actively growing community. Within walking distance to shopping, restaurants, and the beach, Casa Mariposa is perfectly situated for convenience so you don't even need a car. One of the larger homes in the area, Casa Mariposa is 2 stories measuring 3000sqft with an open floor concept and 2 master bedrooms. With one of the master suites on the first floor and a bonus living room upstairs this home is designed to accommodate every age and situation, providing plenty of separate living space as well as easy accessibility.
