The home is surrounded by a good sized terrace, green seating area and is perfect for sunbathing, bbqs etc. And the view is stunning. This property was built 10 years ago and has been maintained since. It has on a higher level a 2 car parking area. This incredible home is right on the edge of the metropolitan area, called Barrio San José area and is a safe, quiet, and engaging area. Apart from this, it has a privileged location. It will take only 40 minutes to get from the airport (SJO) to the house, 5 minutes car journey to Atenas Downtown, and between 10 to 15 minutes to travel to Palmares and Grecia (Which are neighboring towns to Atenas).
