Property Description

Casa de Sueños is a gorgeous 8,059 square foot executive retreat that is situated alongside the La Iguana 18-hole championship golf course, within the gated community of Los Sueños Resort and Marina. Spacious and well planned, the second story of the main house features 5 master suites, each with an en suite bath. Downstairs, an open-concept chef's kitchen flows out onto spacious living and dining areas that are graced by vaulted ceilings. Outdoor living is what this house was built for, however, with its expansive decks, large free-form infinity pool, swim- up tikki bar, pool house, and Jacuzzi, all surrounded by the lush gardens and rain forest of Los Sueños Resort. The guesthouse, equally well designed, features a fully equipped efficiency kitchen, master bedroom suite and sitting area, as well as a second bedroom with its own en suite bath. Residing atop the guesthouse is a sundeck, complete with its own mini bar and open lounge area.
