Property Description

People from all over the world dream of owning a home in Costa Rica's Southern Pacific zone for its wild, pristine beaches, the wildlife, bio-diversity and its perfect tropical climate year round. Make your dream of owning a brand new house a reality with this 1 acre property, with lush tropical forest and a river with small natural pools. Situated in Ojochal, the property is minutes from the holistic school Life Project Education - 5 minutes from world-class. Fine dining restaurants and grocery shops of Ojochal, 10 minutes from a selection of national beach reserves and 15 minutes from the town of Uvita and the famous Marino Ballena National Park. The homesite overlooks a private jungle and river with the potential of a mountain view as well. This is truly a privileged location. The property has space to build one more house or casita on the (main?) building site with its own driveway, which makes it a great investment potential.
