Property Description

¡This new housing development project located 4km from Atenas downtown offers a complete-new living experience! A brand-new gated community with five well-designed homes and community swimming pool is being developed, and almost ready to enjoy. The rental price starts at \$1.100 depending on the size of the house. All houses consist of three bedrooms, two bathrooms, open kitchen, spacious living room, laundry room and an attic. Additionally, each home has its own double carport, a lovely garden and cozy terrace. The total construction area of each house varies between 110m2 and 135m2. These brand-new homes have a modern style with exquisite wood work details. Each house is built in such a way to ensure comfort and efficiency. The high wooden ceilings allow air circulation throughout the entire home. Each space has large glass windows and sliding glass doors which ensure that each room feels bright and spacious.
