Property Description

Over 6 Acres in Very Cute Portalon !!!This incredible hidden gem is located just south of Manuel Antonio Park and just north of Costa Rica's famous surf town, Dominical, making it a highly desired location. Manuel Antonio Park is the most visited and most beautiful national park of Costa Rica. Next to the park, Manuel Antonio is loaded with great restaurants, world class fishing, and all sorts of tours and sports. In addition, Manuel Antonio is right next to Quepos which has a hospital, an airport, and conveniences like hardware stores, super markets, banks, repair stores, etc. Dominical, on the other hand is a Bohemian center of surfers, travelers and seekers. These two factors alone show how beneficial the location is. There are so many nearby attractions, including a locals secret waterfall only five minutes down the road, Playa Linda, which translates to beautiful beach, is just that.
