## Property Description

For Sale, Health Center in Medical Corporate Building in Escazu, 27 HWY Frontage This place is bigger than most available offices, with views to the north of San José. Views are clean, full of green nature allowing visitors and patients to fill calm, relax, and willing to return for another treatment. It is a suitable place for a psychologist's office, physical therapy, medical measurement center, dentist, or laboratory. The place has lightweight divisions that can easily allow any transformation of the place according to the need of the new specialist. It is built in with private bathrooms and common bathrooms on the floor. This provides extra benefits for setting up multiple disciplines of the health sector. Location, is one of a kind. Fast access by route 27 from drivers from east or west of the city, you are away from high density streets that might stress patients, and right in front of highway 27 for a great promotional window.
