Property Description

This peaceful beachfront property is nestled in the coastal jungle of the Ostional Wildlife Refuge along the shoreline of the world's most consistent set of surf-able waves at Playa Guiones, Nosara. This private villa is known as Tres Olas and provides tranquil spaces for each guest to relax and unwind, gather and connect, and most importantly traverse the private path to the unspoiled beauty of the Pacific Ocean. Connect your senses to the rhythm of the jungle through the energetic sound of Howler monkeys, the visual brilliance of a million stars at night, the delightful freshness of organic Costa Rican cuisine, the vibrant scent of tropical foliage, and the physical touch of a yoga mat, a warm wave, or sand between your toes. You are able to rent the four-bedroom main house during the low season months (May 1 through Mid-December). Thanksgiving is 7 nights minimum. Tres Olas Main House draws you in with unique, balanced, and spacious rooms that sit quietly surrounded by the native gardens.
