In San Isidro you can find everything you need: hospitals, stores, restaurants, shopping malls, etc. This house was remodeled 2 years ago, it is in good condition, has 5 bedrooms and 5 bathrooms. Garage for 5 cars, storage and laundry outside the house, and a giant patio surrounded by a wall to give privacy to the property and nice views of Chirripo hill which is the highest peak in all of Costa Rica. It has ample green areas where there are more than 35 fruit trees and space to build your pool with a rancho or even a second house. The property has AYA water and as a second option: a well, which is used to water the plants and could be used for water for a future pool. Contact us for a private visit!!!!
