Property Description

This spacious property has nice views and receives good breezes. It has two big building pads. Good topography where you can build 2 houses and make them really private from each other. This is a nice area for vacation rental homes or your private house, located on a dead end road, only 5 minutes driving to Playa Guiones or Pelada. Renders show the possibility of building two nice homes. It has beautiful trees. For more details: mariju@surfingnosara.com
